

K3VLC

Variable displacement swash plate type axial piston pump.

Applications

Tractor and agricultural machinery.

Key Features

- // Compact and responsive
- // High Suction Capability
- // Swash angle Sensor
- // Double Shaft Seal

Model		K3VLC
Displacement (cc/rev)		85
Pressure (bar)	Rated	210
	Peak	250
Max. for self priming		2,700
